## Message from the Host Committee Chair

Welcome Volunteers!!

Your participation in one of the largest sporting events ever to be held in Yorkton is truly appreciated! The five day event featuring the top 10 womens and top 10 mens curling teams in Canada in a packed arena will be an event we will all long remember.

Our goal is to sell every available seat in the arena and for our fans to enjoy the highest quality of curling in Canada. The excellent curling, coupled with the "Patch" in full swing for five days with cabarets on the weekends will truly make this an event to remember. Live television coverage of the semi-finals and finals will focus the national spotlight on the City of Yorkton.

As volunteers, you are ambassadors showcasing our city, our facilities and our pride and we want to THANK YOU for making this event a successful reality.
