Chairman's message

It is hard to believe that we are now only several weeks away from hosting this major event!

The mood in the community has been very positive and the feedback we are getting about our volunteer's enthusiasm is very encouraging.

Thank you VOLUNTEERS! You will be the reason for the success of the Canada Cup.

The commitment of the Vice Chairs in coordinating all of the activities takes dedication and I want to thank them:

Kevin Lukey – Vice Chair, Business & Marketing
Dale Otto – Vice Chair, Volunteers & Special Events
Laurie Anne Bjornerud – Vice Chair, Hosting
Bryan Kuspira – Vice Chair, Patch/Lounges
Bernie Surkan – Vice Chair, Facilities

Also, the dedication and hard work by our office staff has just been outstanding. Their guidance in keeping the committee on track and managing the daily operations has been so valuable. A big thanks goes to them:

Gord McNabb – Event Coordinator
Sharon Pedde – Administrative Assistant

With the best curling teams from across Canada participating in the 2009 Canada Cup and major television coverage, this event will truly put Yorkton "on the map" as a great city to host a major event.

With the full support of the local media promoting the event and our plans to "paint the town" just prior to the event, everyone in Yorkton and area will know the Canada Cup will be the place to be!

We still have work to do but I know we are in good hands with the commitment of all of you. Your enthusiasm will ensure that this is a fantastic event. It will be Yorkton's turn to ROCK!

Sincerely,

Brian Kruger, Chairman

Greetings from SaskEnergy

On behalf of SaskEnergy, I want to again say thank you for volunteering for the 2009 Canada Cup of Curling.

SaskEnergy
Champion of Volunteers

In just a few more days, each of you will be Saskatchewan ambassadors, highlighting our warmth, energy and enthusiasm to the thousands of visitors who will arrive in Yorkton.

Hosting a world-class event, such as the Canada Cup of Curling, is the kind of challenge that makes Saskatchewan as a whole shine. An incredible amount of planning and preparation goes into ensuring a successful event of this magnitude. Without you, the volunteers, all the organizers had were plans.

At SaskEnergy, we applaud today's volunteers; each of you is making a significant contribution and it is an honour to Champion such extraordinary people.

Sincerely,

Doug Kelln
